Where are they now? A look at our past students...

Sonia Jones~

Has graduated in May of 2011 from New York University with a Masters in Ballet Pedagogy and has been busy with dancing and teaching and subbing at the American Ballet Theater School. She is involved with Project Dance in New York and performed in Washington D.C. Sonia also spent time in Kansas City presenting her research from her Thesis paper to the CORPS de ballet, a group that targets professors of ballet. She is now teaching ballet for her church's dance outreach program and two studios in Brooklyn and Long Island. Sonia is looking forward to getting to know her new dance studios and finding her "voice" as a teacher again after all I learned in my studies.

Alexandra Schooling~

Alex graduated from Carlisle Area High School in the spring of 2011 and will be attending Butler University in Indianapolis studying dance performances and international studies.

Bonnie Lutz~

Bonnie earned her Cecchetti Professional Intermediate VI Teacher's Certificate in May of 2011. Bonnie has taken a break from teaching for the 2011 - 2012 year to focus on her wedding. Bonnie and Cory were married on November 12 in Leesport, PA.

Brittany Whitmoyer~

Brittany first graduated from East Carolina University with a BFA in dance in 2008. She then moved to New York City to perform with the Mariana Bekerman Dance Company. In December 2008 Brittany formed her own dance company, bnw dancers. Her dance company is now located in Richmond, Va and is a non profit company. In 2010 the bnw had the opportunity to spend their summer in London, England at Clarence Mews. They are now excited to kick off their 4th season and planning many performances in Virginia, Washington DC, Philadelphia and Chicago.
